

# P2 Learning Leaflet: Additional information

2017-2018

Term 1

## Numeracy

<u>Circles</u>	<u>Squares</u>	<u>Triangles</u>
<p>Our focus this term will be Numbers to 100. We will develop our knowledge of ordering numbers. We will consolidate addition and subtraction to 20. We will practise counting in 2s, 5s and 10s.</p> <p>We will consolidate our knowledge of our BIG MATHS beat that facts to try to improve the speed and fluency.</p>	<p>We will consolidate addition and subtraction to 20. We will then move onto Numbers to 100. We will develop our knowledge of ordering numbers. We will practise counting in 2s, 5s and 10s.</p> <p>We will consolidate our knowledge of our BIG MATHS beat that facts to try to improve the speed and fluency.</p>	<p>We will consolidate addition and subtraction to 10. ## Literacy

We will begin by revising some digraphs such as sh, ch, th, wh, ee, oo, ck, ai, oy, oa and qu. We will then move onto the sounds ph, ay, ea and ow. We will learn about the sounds the letters make together and learn words with these sounds. We will continue to revise the spelling of common words.

We will continue to work on our reading, asking questions about the book, predicting what will happen next, discussing the texts. Some children may have a word wall home with them, to help them practise their words and increase their confidence reading different texts. Please practise words on word walls regularly and let us know how your child is getting on.

In story writing the correct use of capital letters and full stops is expected. Some children will continue to work on fine motor skills to ensure correct pencil grip, correct letter and number formation.

Thank you for your continued co-operation,

Mrs Lot & Mrs Donaldson
