Partnership with parents

Methods of communication

Two way communication

Being a parent helper

Smooth Transition

We ensure a smooth transition by:

- Careful liaison with the preschool setting and other agencies
- Several transition sessions for pupils and families such as today where:

Children can:

- Meet the adults
- See the school / class/playground area
- Play in a relaxed setting
- Meet other children
- Meet buddies

Parents can:

- Ask questions
- Meet staff
- Try on uniform
- Meet other parents
- Tour the school
- Feel better!

Starting school

Teacher and children build relationship

Split into two groups to make it a smoother transition from nursery

Children get to know routines of class and school

Personal Independence

Look after and organise their belongings.

Be confident in going to the toilet themselves

Dress / undress with little help

Use a knife and fork

Wash and dry their hands

Blow their nose independently

Recognise and try to write their own name

Equipment needed

School uniform

P.E. kit; short and indoor shoes
