Dear Parent/Carer,

What a busy term we have had, I can't quite believe we have reached the end of another school term. From our Livewire week, World of Work week to Sport Relief I think it's fair to say we are all ready for the holidays.

I would like to thank you all for the continued support towards the school.

#### Our School Motto:

#### Library

What a transformation our library has taken! Our PSAs have been off timetable this week and have papered all the walls of the Infant GP room. We have been busy building shelving and it's all beginning to come together. Thank you to our Parent Council for funding the library project, we can't wait to open the library officially during Term 4.

## **World of Work Week**

Thank you to all of our parents, friends and family for taking part in our recent World of Work Week. It was absolutely brilliant to have a wide range of professions represented during the course of the week. All of our pupils thoroughly enjoyed the talks and workshops provided. We can't wait to do this all over again next year!

## **Sport Relief**

Well done to P5 and Miss McKenzie for organising a week long programme of events for Sport Relief. Due to the kind donations we raised a magnificent total of over £2300. What a fantastic total! Well done to all involved.

## **Parent Council**

Our Parent Council have been continually supporting us throughout the year. Due to the financial support from Parent Council, all P5-P7s received First Aid Training, equipment has been purchased for our Nurture Room and our Library has finally started to take shape. Without this support, none of these projects could have been funded. We are always looking for new members, so please feel free to come along to any of our future Parent Council meetings.

## **ASDA Green Tokens**

For the next 3 months we will have a space at Asda Dyce for the Green Token Giving for developing out Library. Please help us raise £500 by filling up our box with green tokens after you've completed your shop.
